

CONCHO VALLEY COUNCIL OF GOVERNMENTS
HEAD START/EARLY HEAD START
Welcome Packet Welcome Letter

Dear Parents,

We are delighted to welcome you to the Rio Vista Head Start/Early Head Start program at for 2024-2025 school year. As your Family Service Worker, we are here to support you and your family by providing early learning, health, and family well-being services.

Our goal is to build a strong partnership with you to ensure the success of both your family and your student. One key component of the program is our Family Partnership Process, where we will collaborate to identify your family's strengths, needs, obstacles, and interests. Together, we will set and achieve family goals to promote overall success.

We are dedicated to utilizing program resources to help you reach your goals and accomplish your personal missions. We will go through the Family Partnership Process together, so please look out for the sign-up schedule in your child's classroom soon.

We are excited to begin this journey with you. If you need any assistance before our visit, please feel free to contact me using the information below. We look forward to meeting you and supporting you in this exciting new school year.

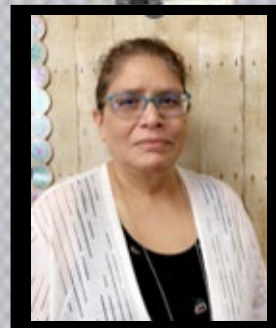

Thank you,
Rio Vista Head Start/Early Head Start -Family Service Workers
